### (H) Protection and Safety Measures

To avoid any doubt, according to the policy terms and conditions, the following requirements are essential, principal and preliminary to provision of insurance coverage:

- (a) A Protection and Safety Survey may be conducted by a surveyor appointed by the Insurer; the recommendations and results of such survey will be mandatory for the provision of insurance coverage.
- (b) A valid Fire Department Inspection Permit, and complete compliance with its recommendations and requirements.
- (c) The proposed business will be manned at all times. Whenever the business is not manned, all its entrances, doors and windows, will be shut, locked and secured.
- (d) The Applicant will comply and fulfil any regulatory requirements, and hold valid permits and licenses required for the conduct of the proposed business.

I read, understood and accepted all of the above:

## Application Declaration

1. I know this insurance is executed and placed with a foreign Insurer and I have checked the legality of the process. I know that local regulator does not regulate foreign Insurers.
2. I declare my answers are full, correct and made under my own free will with no facts or material details omitted that may affect the risk assessment by the Insurer. It is agreed this application will be the basis for the quote.
3. I know that all questions in this application are considered material information and I do not know any further information that may affect the Insurers decision as to the cover, its scope and terms.
4. I know and agree that document will be issued in English. The fact that a document is in English, which may not be my mother tongue, will not be a basis for any claim by me towards the Insurer and the cover.
5. I know the insurance will become effective only after the Insurer has confirmed cover in writing, and also only after the premium payment has been made. It is my sole duty to read and pay attention to the different conditions of the policy.
6. Neither I nor the business proposed for insurance or any employee of mine or of the business proposed for insurance been convicted of any criminal offense, other than traffic violation in the past 5 years.
7. If the business proposed for insurance legally needs any local license or permit, it is declared and certified that such license is obtained and is valid.

**Please note: It is precedent condition to any liability under this policy that the Insured or the Insured's employees will be present or be in the immediate proximity of the Insured premises at all times the premises are being used.**
